R

uan Plaza, a greenspace bordering the east side of the William C. Knapp Varied Industries Building, made its Fair debut in 2015. Featuring a large expanse

of green grass, wide pedestrian walkways, bright lighting and trees, the area reflects the park-like feel of the Fairgrounds. A retaining wall between the Robert G. Horner and Sheri Avis Horner Service Center and the Ruan Plaza will now showcase "Growing Our Future." As the program grows, so will a vibrant and artful display of colorful leaves gracing the blank canvas of the wall.

Growing Our Future is designed to support the renovation and improvement efforts transforming the Iowa State Fairgrounds into a nationally recognized facility. Seven different levels of giving are available, with each customized 1/4" thick, coated aluminum plaque working together to create the overall design. Distinguished by two different sized plaques, each level is recognized with colored "leaves". The leaves allow for two lines of inscription and can become more personalized on the larger pieces. Please see the form for more details.

The deadline to have your leaf placed for the Iowa State Fair is March 31.

The Iowa State Fair Blue Ribbon Foundation is a 501(c)3 non-profit organization. Contributions made to the Foundation are tax-deductible to the fullest extent permitted by law; always consult with your tax advisor.
