

IOWA STATE FAIR
BLUE RIBBON
FOUNDATION

NEWS

WINTER 2026

In Memory of **Bill Knapp**

Rarely does one man change an institution in Iowa to what it has become today: the envy of the nation. Well, that is what Bill Knapp did for the Iowa State Fair. Bill was the first major individual donor to the Iowa State Fair Blue Ribbon Foundation. We will never forget him and we are forever grateful.

Bill was a tireless promoter of the Iowa State Fair and put his money where his mouth was. He camped at the Fair. He was always at the Fair. He talked about the Fair. Bill traveled to other fairs to see what we could do better. We had countless tours of the Fair with Bill every summer to show him our progress and what was in store that coming August. These sessions proved invaluable, listening to Bill opine about what

makes the Iowa State Fair great and what we could improve upon. Bill helped raise tens of millions of dollars for the betterment of the Iowa State Fair. The William C. Knapp Varied Industries Building is an iconic structure on these historic Fairgrounds that proudly bears his name.

Bill was special. He was the first to go to bat for us. He never gave up and he was a great friend. Bill tirelessly advocated with governors and legislators alike to change state law when the school start date was being constantly abused. The result was countless youth in Iowa not being able to show at the Fair and create the memories of a lifetime. The law was changed in 2015 after a

generational effort by many. No child goes to school during the Iowa State Fair now thanks to Bill. Bill always said yes to what was in the best interest of Iowa, the Iowa State Fair and Fairgoers.

Bill Knapp was, is and always will be, the patriarch of the Iowa State Fair Blue Ribbon Foundation. We, as Fairgoers, all owe him a debt of gratitude.

Rebuilding Icons: The Livestock Barns **Renovation Initiative**

A heartfelt thank you to the donors who have stepped up to “Back the Barns.” This remarkable group of supporters shares a deep love for the Iowa State Fair and a commitment to preserving the traditions that make it unforgettable. With their generosity, the Blue Ribbon Foundation is laying the groundwork for the next century of memories in our historic Livestock Barns.

But we’re just getting started, and there’s room for you to join.

The Fairgrounds’ major Livestock Barns are undergoing much-needed, multi-year improvements, including modern updates designed to honor the barns’ heritage while preparing them for generations to come. Upgrades include new roofing, flooring, lighting, restrooms, office spaces, and specialized improvements tailored to each barn’s unique needs.

Horse Barn

A two-year \$13.1 million transformation is underway. Phase I was completed ahead of the 2025 Fair. Phase II is scheduled for completion before the 2026 Fair. This sweeping restoration includes structural repairs, radiant-heat flooring, relocated offices, upgraded and accessible restrooms, improved wash racks, new ventilation and lighting, fire-suppression systems and portable stall upgrades - ensuring comfort and safety for both exhibitors and animals.

Sheep Barn

A two-year, \$6.2 million renovation wrapped up in fall 2024. This project delivered masonry restoration, refreshed offices, new storm sewers, roofing improvements, accessible restrooms, full interior repainting, sun-shading, a modern show ring, and new portable pens - revitalizing a cornerstone of the Fair’s livestock shows.

Cattle Barn

While final planning is still underway, Phase I is scheduled to finish before the 2026 Fair. This initial work includes a new electrical distribution building, ensuring reliable power to support future enhancements.

Swine Barn

With plans still developing, Phase I focuses on foundational improvements to be completed before the 2026 Fair. Updates include remodeling the west office, modernizing and making the west women’s restroom fully accessible, and adding new restrooms on the barn’s east end.

Join the Movement

The Livestock Barns aren’t just buildings; they are living symbols of Iowa’s agricultural heritage. This is where young exhibitors take their first steps into leadership, responsibility, and pride in the work that built our state.

By contributing to the “Back the Barns” campaign, you’re investing in these young people and in the traditions that make the Iowa State Fair a place where generations come together.

Help us preserve the past and strengthen the future. Your support makes all the difference.

Thank You

The Iowa State Fair is a special place! Since the earliest days of the Blue Ribbon Foundation, our supporters have embraced opportunities to leave their mark on the Fairgrounds. This legacy is evident in the thousands of recognition bricks, pavers and plaques throughout the Fairgrounds. These additions continue the tradition of sharing cherished memories and stories while supporting the Fair.

As Foundation supporters, you know leaving a mark on the Fairgrounds through the Foundation extends far beyond recognition programs. Each donor contributes to a lasting impact at the Iowa State Fair. Since our beginning in 1993, your generosity has helped raise \$219 million for projects across the 450-acre Fairgrounds!

Looking ahead, your continued support of the Foundation will leave an even greater mark. Along with maintaining our commitment to preserving the historical structures and creating a welcoming

Fairgrounds, we're thrilled to continue supporting major renovations in the coming years. These investments are critical to what makes our Fairgrounds unique and are essential to the future of the Iowa State Fair.

The impact of your giving is evident in countless ways and tells a story of unwavering commitment to the Iowa State Fair. Thank you for your continued partnership.

Due to space limitations in this newsletter, we are recognizing supporters whose cumulative giving since 1993 totals \$1,000 or more. However, we deeply appreciate every contribution — no matter the amount. Each gift to the Blue Ribbon Foundation plays a vital role in helping us fulfill our mission.

This list recognizes contributions to our general renovation fund, Our Fair's Future endowment, and the Endow Iowa program.

While we have taken great care to ensure the accuracy of this donor list, errors can occasionally occur. If you notice a misspelling, omission or mistake, please contact us at 515-262-3111 Ext. 371 or email Info@BlueRibbonFoundation.org.

"My dad attended the Iowa State Fair every year without fail from 1946 to 2019. In his final year, I even pushed him around in a wheelchair. Although I've lived in Missouri or California since 1987, I still try to return to the Fair almost every year—we plan our summer travels around it.

The Fair embodies everything that is great about Iowa — agriculture, commerce, food, youth, sharing, entertainment and friendly people. I'm proud to have a memorial brick in his honor."

Welcome, Brooklin

The Blue Ribbon Foundation is pleased to announce that Brooklin Border has joined our team as the new Development Manager after Meg Courter retired in December.

Brooklin is no stranger to the Iowa State Fair. She grew up attending the Fair as a 4-H member and served as the Blue Ribbon Foundation's 2022 Public Relations Intern, where she organized the Iowan of the Day program.

Brooklin is originally from Fort Dodge and attended Iowa Central Community College before transferring to Iowa State University, where she earned her Bachelor of Science degree in Public Relations. Following graduation, she served as a clerk for the Iowa Senate before taking a position as a Program Specialist in the College of Liberal Arts and Sciences at Iowa State University.

Outside of work, Brooklin enjoys theatre and the arts, volunteering for the Iowa 4-H program, and spending time with family and friends.

In her new role, Brooklin will oversee the volunteer program, guide strategic gift planning for the endowment and manage the Corndog Kickoff auction.

She is eager to contribute to the Iowa State Fair and looks forward to collaborating with volunteers and supporters.
